

Action Project Proposal Form

What issue do you think should be the focus of the Class Action Project?	
Why do you think the class should choose this issue?	
How do you plan to address this issue?	
What would be the main message you would deliver about the issue through your Action Project?	
Who would be the chosen audience to hear about the Action Project?	
What steps would the class need to take to organise the Action Project?	
What materials and resources would the class need?	
Who or what organisation could help the class with the Action Project?	
What change will be made because of the Action Project?	
How will you know if your Action Project was a success?
